Summer credit hours (credit hours total)	13 credits	Total Year 2	90 credit hours

****NOTE:** Science and General Education Requirements are the same for all students completing the STESON-USF Diploma-BSN Cooperative Nursing PROGRAM. Type and number of General Education Courses to be completed by each student with previous degrees or credits earned **will be determined on an individual basis after a transfer evaluation**. This **SAMPLE plan assumes transfer evaluation grants credit for 9 Science credit hours and 21 General Education credit hours**. However, the transfer evaluation may grant **more or less** credits toward the Science and/or General Education requirements. Therefore, an **ACTUAL** curriculum plan **will be developed for each individual student based on his/her respective transfer evaluation results**.

San Damiano General Education (GE) courses are offered within distributions and are approved by the university's Curriculum Council. Please see your Academic advisor for additional information.

Courses may be offered in 5, 8, 11, or 16 week time frames.

Please note: This schedule is subject to change based on course offerings and curriculum developments that may occur throughout the 2017- 2018 academic year.

Science = 15credits
 General Education/GEO = 39 credits
 Nursing (Clinical 60+ Non-clinical 6) =66 credits
Diploma-BSN CNP = 120 Total Credits
